Appendix D: Minimum Guidelines for Recipient Grievance Procedures

Section 1: Purpose

- A.** This outlines the minimum guidelines for recipient grievance procedures that apply to programs administered by the Department, except for the Statewide Medicaid Managed Care Long-Term Care Program.
- B.** Legal Providers should have an internal grievance procedure that addresses both denial of service and complaints about manner or quality of legal assistance. Grievance policies that comport with the requirements of the Legal Services Corporation are sufficient to meet this standard. At a minimum, the procedure must provide applicants with:
- Adequate notice of the grievance procedures;
 - Information on how to file a grievance or complaint, and;
 - An opportunity for review of that complaint by the Legal Provider's Executive Director or the Executive Director's designee.
- C.** In computing any period prescribed by these guidelines, the last day of the established time frame shall be included, unless it falls on a Saturday, Sunday, or legal holiday. If the last day falls on a Saturday, Sunday or legal holiday, the established time frame shall be extended until the end of the next business day.

Section 2: Legal Authority

- Americans with Disabilities Act
- Section 306(a) (10) Older Americans Act of 1965, as amended
- Section 430.04(2)(g), F.S.

Section 3: Notice to Recipient of Adverse Action Taken and Explanation of Grievance Review Procedures

- A. Written Prior Notice:**
- The service provider shall inform the recipient in writing of the adverse action to be taken not less than ten (10) calendar days prior to the effective date of the adverse action.
 - Prior notice is not applicable when the health or safety of the recipient is endangered, if action is not taken immediately; however, notice must be made as soon thereafter as practicable.
- B. Continuation of Services:** Services cannot be reduced or terminated and there can be no other adverse action during the 10-day period.
- C. Notice Contents:** The notice shall contain the following elements:
