Dear Provider,

The Alliance for Aging's Helpline, an Information and Referral service, makes referrals to the general public about programs and services in the community that are available to older adults and persons with disabilities 18+ years, along with their caregivers, if applicable.

Agencies and businesses that are interested in being included in the database must complete and return the application. Please review carefully the Integrated Statewide Information and Referral Database Inclusion and Exclusion Criteria. ***At the time of application your business must have been operating for at least one year and a copy of any licenses to conduct business must be provided.***

This is your opportunity to provide information to the general public about your agency at no cost to you. You may attach additional pages if necessary, to complete the application form. Please send by fax to (305) 222-4139, attention Yancy Soto or by email to: Sotoy@allianceforaging.org.

You may also mail your information to:
