The Parties will not be liable for any delays or failures in performance due to circumstances beyond their control, provided the party experiencing the force majeure condition provides immediate written notification to the other party and takes all reasonable efforts to cure the condition.

45. Severability Clause:

The Parties agree that if a court of competent jurisdiction deems any term or condition herein void or unenforceable, the other provisions are severable to that void provision and shall remain in full force and effect.

46. Condition Precedent to Contract Appropriations:

The Parties agree that the Department's performance and obligation to pay under this contract are contingent upon an annual appropriation by the Legislature and the award federal funds to the State for this Contract.

47. Addition/Deletion:

The Parties agree that the Department reserves the right to add or to delete any of the services required under this contract when deemed to be in the State of Florida's best interest and reduced to a written amendment signed by both Parties. The Parties shall negotiate compensation for any additional services added.

48. Waiver:

The delay or failure by the Department to exercise or enforce any of its rights under this contract will not constitute or be deemed a waiver of the Department's right thereafter to enforce those rights, nor will any single or partial exercise of any such right preclude any other or further exercise thereof or the exercise of any other right.

49. Compliance:

The Contractor shall abide by all applicable current federal statutes, laws, rules, and regulations as well as applicable current state statutes, laws, rules and regulations. The Parties agree that failure of the Contractor to abide by these laws shall be deemed an event of default of the Contractor and subject the contract to immediate unilateral cancellation of the contract at the discretion of the Department.

Except for defaults of Subcontractors at any tier, the Contractor shall not be liable for any excess costs if the failure to perform the contract arises from events completely beyond the control, and without the fault or negligence, of the Contractor. If the failure to perform is caused by the default of a Subcontractor at any tier, and if the cause of the default is completely beyond the control of both the Contractor and the Subcontractor, and without the fault or negligence of either, the Contractor shall not be liable for any excess costs for failure to perform, unless the subcontracted products were obtainable from other sources in sufficient time for the Contractor to meet the required delivery schedule. If, after termination, it is determined that the Contractor was not in default, or that the default was excusable, the rights and obligations of the Parties shall be the same as if the termination had been issued for the convenience of the Department. The rights and remedies of the Department in this clause are in addition to any other rights and remedies provided by law or under the contract.

In the event that the Contractor expends \$1,000,000.00 or more in federal awards during its fiscal year, the Contractor must have a single or program-specific audit conducted in accordance with the provisions of 2 CFR Part 200. Financial and Compliance Audit Attachment, Exhibit 2 indicates federal resources awarded through the Department by this contract. In determining the federal awards expended in its fiscal year, the Contractor shall consider all sources of Federal awards, including federal resources received from the Department. INSTRUCTIONS FOR THE CIVIL RIGHTS COMPLIANCE CHECKLIST

1. Describe the geographic service area such as a district, county, city, or other locality. If the program/facility serves a specific target population such as adolescents, describe the target population. Also, define the type of service provided.
2. Enter the percent of the population served by race, sex, disability, and over the age of 40. The population served includes persons in the geographical area for which services are provided such as a city, county or other regional area. Population statistics can be obtained from local chambers of commerce, libraries, or any publication from the 1980 Census containing Florida population statistics. Include the source of your population statistics. ("Other" races include Asian/Pacific Islanders and American Indian/Alaskan Natives.)
3. Enter the total number of full-time staff and their percent by race, sex, disability, and over the age of 40. Include the effective date of your summary.
4. Enter the total number of clients who are enrolled, registered or currently served by the program or facility, and list their percent by race, sex, disability, and over the age of 40. Include the date that enrollment was counted.
 - a. Where there is a significant variation between the race, sex, or ethnic composition of the clients and their availability in the population, the program/facility has the responsibility to determine the reasons for such variation and take whatever action may be necessary to correct any discrimination. Some legitimate disparities may exist when programs are sanctioned to serve target populations such as elderly or disabled persons.
5. Enter the total number of advisory board members and their percent by race, sex, disability, and over the age of 40. If there is no advisory or governing board, leave this section blank.
6. Each recipient of federal financial assistance must have on file an assurance that the program will be conducted in compliance with all nondiscriminatory provisions as required in 45 CFR Part 80. This is usually a standard part of the contract language for DOE A Recipients and their Sub-grantees. 45 CFR 80.4(a).
7. Is the race, sex, and national origin of the staff reflective of the general population? For example, if 10% of the population is Hispanic, is there a comparable percentage of Hispanic staff?
8. Do eligibility requirements unlawfully exclude persons in protected groups from the provision of services or employment? Evidence of such may be indicated in staff and client representation (Questions 3 and 4) and also through on-site record analysis of persons who applied but were denied services or employment. 45 CFR 80.3(a) and 45 CFR 80.1.
9. Participants or clients must be provided services such as medical, nursing, and dental care, laboratory services, physical and recreational therapies, counseling, and social services without regard to race, sex, color, national origin, religion, age, or disability. Courtesy titles, appointment scheduling, and accuracy of record keeping must be applied uniformly and without regard to race, sex, color, national origin, religion, age, or disability. Entrances, waiting rooms, reception areas, restrooms, and other facilities must also be equally available to all clients. 45 CFR 80.3(b).
10. For in-patient services, residents must be assigned to rooms, wards, etc., without regard to race, color, national origin, or disability. Also, residents must not be asked whether they are willing to share accommodations with persons of a different race, color, national origin, or disability. 45 CFR 80.3(a).
11. The program/facility and all services must be accessible to participants and applicants, including those persons who may not speak English. In geographic areas where a significant population of non-English speaking people live, program accessibility may include the employment of bilingual staff. In other areas, it is sufficient to have a policy or plan for service, such as a current list of names and telephone numbers of bilingual individuals who will assist in the provision of services. 45 CFR 80.3(a).
12. Programs/facilities must make information regarding the nondiscriminatory provisions of Title VI available to their participants, beneficiaries, or any other interested parties. 45 CFR 80.6(d). This should include information on their right to file a complaint of discrimination with either the Department or the U.S. Department of Health and Human Services. The information may be supplied verbally or in writing to every individual or may be supplied through the use of an equal opportunity policy poster displayed in a public area of the facility.
13. Report number of discrimination complaints filed against the program/facility. Indicate the basis (e.g. race, color, creed, sex, age, national origin, disability, and/or retaliation) and the issues involved (e.g. services or employment, placement,

(July 2025 – June 2026)

termination, etc.). Indicate the civil rights law or policy alleged to have been violated along with the name and address of the local, state, or federal agency with whom the complaint has been filed. Indicate the current status of the complaint (e.g. settled, no reasonable cause found, failure to conciliate, failure to cooperate, under review, etc.).

14. The program/facility must be physically accessible to mobility, hearing, and sight-impaired individuals. Physical accessibility includes designated parking areas, curb cuts or level approaches, ramps, and adequate widths to entrances. The lobby, public telephone, restroom facilities, water fountains, and information and admissions offices should be accessible. Door widths and traffic areas of administrative offices, cafeterias, restrooms, recreation areas, counters, and serving lines should be observed for accessibility. Elevators should be observed for door width and Braille or raised numbers. Switches and controls for light, heat, ventilation, fire alarms, and other essentials should be installed at an appropriate height for mobility impaired individuals.
15. Section 504 of the Rehabilitation Act of 1973 requires that a recipient of federal financial assistance conduct a self-evaluation to identify any accessibility barriers. Self-evaluation is a four-step process:
 - a. Evaluate, with the assistance of disabled individual(s)/organization(s), current policies and practices that do not or may not comply with Section 504;
 - b. Modify policies and practices that do not meet Section 504 requirements.
 - c. Take remedial steps to eliminate the effects of any discrimination that resulted from adherence to these policies and practices; and
 - d. Maintain self-evaluation on file, including a list of the interested persons consulted, a description of areas examined, and any problems identified, and a description of any modifications made and of any remedial steps taken 45 CFR 84.6. (This checklist may be used to satisfy this requirement if these four steps have been followed).
16. Programs or facilities that employ 15 or more persons shall adopt grievance procedures that incorporate appropriate due process standards and that provide for the prompt and equitable resolution of complaints alleging any action prohibited by Part 84 of Title 45, CFR 45 CF 84.7(b).
17. Programs or facilities that employ 15 or more persons shall designate at least one person to coordinate its efforts to comply with Part 84 of Title 45, CFR. 45 CFR 84.7(a).
18. Programs or facilities that employ 15 or more persons shall take appropriate initial and continuing steps to notify participants, beneficiaries, applicants, and employees that the program/facility does not discriminate on the basis of handicap in violation of Section 504 and Part 84 of Title 45, CFR. Methods of initial and continuing notification may include the posting of notices, publication in newspapers and magazines, placement of notices in publications of the programs or facilities, and distribution of memoranda or other written communications. 45 CFR 84.8(a).
19. Programs or facilities that employ 15 or more persons shall provide appropriate auxiliary aids to persons with impaired sensory, manual, or speaking skills where necessary to afford such persons an equal opportunity to benefit from the service in question. Auxiliary aids may include, but are not limited to, brailled and taped materials, interpreters, and other aids for persons with impaired hearing or vision. 45 CFR 84.52(d).
20. Programs or facilities with 50 or more employees and \$50,000.00 in federal contracts must develop, implement, and maintain a written affirmative action compliance program in accordance with Executive Order 11246, 41 CFR Part 60 and Title VI of the Civil Rights Act of 1964, as amended.

Electronic Record and Signature Disclosure		

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, Carahsoft OBO Florida Department of Elder Affairs (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.
