

Did you know that minority groups are less represented in aging research?

Help us understand why!

We invite African American, Caribbean, or Hispanic/Latino seniors, aged 65+ years, and one family member or friend, aged 25 to 64 years, to volunteer for two listening sessions and a survey about healthy aging research.

WHERE: North, Central, or South Florida via Zoom.

Join from the comfort of your own home.

TIME: 2 hours total (1 hour per listening session).

THANK YOU: \$70 e-gift card for completing two listening sessions and a survey.
